Schedule of Assumed Contracts

Notes:

- [1] The inclusion or exclusion by the Debtors of any contract or lease on this schedule shall not constitute an admission by the Debtors that any such contract or lease is or is not an executory contract or unexpired lease or that the Debtors or the Post-Effective Date Debtors or their respective affiliates has any liability thereunder.
- [2] The Debtors reserve the right, in their reasonable discretion, to further amend this schedule to add or remove any executory contract or unexpired lease for any reason, including executory contracts and unexpired leases that are subject to an Assumption Dispute (as defined in the Plan).
- [3] The term "Contract Counterparty" means the party to whom the contract or lease is or was made.
- [4] The Debtors continue to review the contracts listed on this schedule to determine the appropriate Debtor entity. To the extent the Debtors are able to identify the proper Debtor entity for the contracts to which no Debtor entity is currently listed, the Debtors will file an amended schedule prior to the confirmation hearing to reflect this information.
- [5] Associated leases represent the oil and gas leases that are associated with or related to the same underlying contract.
- [6] Related lease parties represent current lease co-working interest owners and JIB partners based on Company accounting system records.
- [7] Estimates based on open pre-petition accounts payable balances. Cure estimates were adjusted to zero for completed trade agreements.
- [8] Reference is hereby made to the Debtors' Fourth Amended Joint Chapter 11 Plan of Fieldwood Energy LLC and Affiliated Debtors [Docket No. 1284] (including any exhibits and schedules thereto and as may be further amended, supplemented, or modified, the "Plan"). Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the Plan. The proposed treatment set forth on this Schedule of Assumed Contracts is for informational purposes only. In the event of any conflict between any of the Credit Bid Purchase Agreement, the Definitive Documents or any other documents relating to any Plan of Merger (collectively, the "Transaction Documents"), on the one hand, and this Schedule of Assumed Contracts, the applicable Transaction Documents shall control.

Schedule of Assumed Contracts

Notes:
 [1] The inclusion or exclusion by the Debtors of any contract or lease on this schedule shall not constitute an admission by the Debtors that any such contract or lease is or is not an executory contract or unexpired lease or that the Debtors or the Post-Effective Date Debtors or their respective affiliates has any liability thereunder.
 [2] The Debtors reserve the right, in their reasonable discretion, to further amend this schedule to add or remove any executory contract or unexpired lease for any reason, including executory contracts and unexpired leases that are subject to an Assumption Dispute (as defined in the Plan).
 [3] The Debtors reserve the right to amend this schedule to reflect any changes made to the Post-Effective Date Debtors' Assumption Dispute.
 [4] The Debtors continue to review the contracts listed on this schedule to determine the appropriate Debtor entity. To the extent the Debtors are able to identify the proper Debtor entity for the contracts to which no Debtor entity is currently listed, the Debtors will file an amended schedule prior to the confirmation hearing to reflect this information.
 [5] Associated leases represent the oil and gas leases that are associated with or related to the same underlying contract.
 [6] Related lease parties represent current lease co-working interest owners and JIB partners based on Company accounting system records.
 [7] Estimates based on open pre-petition accounts payable balances. Cure estimates were adjusted to zero for completed trade agreements.
 [8] Reference is hereby made to the Debtors' Fourth Amended Joint Chapter 11 Plan of Fieldwood Energy LLC and Affiliated Debtors [Docket No. 1284] (including any exhibits and schedules thereto and as may be further amended, supplemented, or modified, the "Plan"). Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the Plan. The proposed treatment set forth on this Schedule of Assumed Contracts is for informational purposes only. In the event of any conflict between any of the Credit Bid Purchase Agreement, the Definitive Documents or any other documents relating to any Plan of Merger (collectively, the "Transaction Documents"), on the one hand, and this Schedule of Assumed Contracts, the applicable Transaction Documents shall control.

Schedule of Assumed Contracts

Notes:
 [1] The inclusion or exclusion by the Debtors of any contract or lease on this schedule shall not constitute an admission by the Debtors that any such contract or lease is or is not an executory contract or unexpired lease or that the Debtors or the Post-Effective Date Debtors or their respective affiliates has any liability thereunder.
 [2] The Debtors reserve the right, in their reasonable discretion, to further amend this schedule to add or remove any executory contract or unexpired lease for any reason, including executory contracts and unexpired leases that are subject to an Assumption Dispute (as defined in the Plan).
 [3] The term "Debtors" means the debtors in the Chapter 11 Cases.
 [4] The Debtors continue to review the contracts listed on this schedule to determine the appropriate Debtor entity. To the extent the Debtors are able to identify the proper Debtor entity for the contracts to which no Debtor entity is currently listed, the Debtors will file an amended schedule prior to the confirmation hearing to reflect this information.
 [5] Associated leases represent the oil and gas leases that are associated with or related to the same underlying contract.
 [6] Related lease parties represent current lease co-working interest owners and JIB partners based on Company accounting system records.
 [7] Estimates based on open pre-petition accounts payable balances. Cure estimates were adjusted to zero for completed trade agreements.
 [8] Reference is hereby made to the Debtors' Fourth Amended Joint Chapter 11 Plan of Fieldwood Energy LLC and its Affiliated Debtors [Docket No. 1284] (including any exhibits and schedules thereto and as may be further amended, supplemented, or modified, the "Plan"). Schedule of Assumed Contracts

Notes:

- [1] The inclusion or exclusion by the Debtors of any contract or lease on this schedule shall not constitute an admission by the Debtors that any such contract or lease is or is not an executory contract or unexpired lease or that the Debtors or the Post-Effective Date Debtors or their respective affiliates has any liability thereunder.
- [2] The Debtors reserve the right, in their reasonable discretion, to further amend this schedule to add or remove any executory contract or unexpired lease for any reason, including executory contracts and unexpired leases that are subject to an Assumption Dispute (as defined in the Plan).
- [3] The term "Counterparty" means the party to whom the contract or lease is made.
- [4] The Debtors continue to review the contracts listed on this schedule to determine the appropriate Debtor entity. To the extent the Debtors are able to identify the proper Debtor entity for the contracts to which no Debtor entity is currently listed, the Debtors will file an amended schedule prior to the confirmation hearing to reflect this information.
- [5] Associated leases represent the oil and gas leases that are associated with or related to the same underlying contract.
- [6] Related lease parties represent current lease co-working interest owners and JIB partners based on Company accounting system records.
- [7] Estimates based on open pre-petition accounts payable balances. Cure estimates were adjusted to zero for completed trade agreements.
- [8] Reference is hereby made to the Debtors' Fourth Amended Joint Chapter 11 Plan of Fieldwood Energy LLC and Affiliated Debtors [Docket No. 1284] (including any exhibits and schedules thereto and as may be further amended, supplemented, or modified, the "Plan"). Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the Plan. The proposed treatment set forth on this Schedule of Assumed Contracts is for informational purposes only. In the event of any conflict between any of the Credit Bid Purchase Agreement, the Definitive Documents or any other documents relating to any Plan of Merger (collectively, the "Transaction Documents"), on the one hand, and this Schedule of Assumed Contracts, the applicable Transaction Documents shall control.

Schedule of Assumed Contracts

Notes:

- [1] The inclusion or exclusion by the Debtors of any contract or lease on this schedule shall not constitute an admission by the Debtors that any such contract or lease is or is not an executory contract or unexpired lease or that the Debtors or the Post-Effective Date Debtors or their respective affiliates has any liability thereunder.
- [2] The Debtors reserve the right, in their reasonable discretion, to further amend this schedule to add or remove any executory contract or unexpired lease for any reason, including executory contracts and unexpired leases that are subject to an Assumption Dispute (as defined in the Plan).
- [3] The Debtor entity that is party to the contract or lease.
- [4] The Debtors continue to review the contracts listed on this schedule to determine the appropriate Debtor entity. To the extent the Debtors are able to identify the proper Debtor entity for the contracts to which no Debtor entity is currently listed, the Debtors will file an amended schedule prior to the confirmation hearing to reflect this information.
- [5] Associated leases represent the oil and gas leases that are associated with or related to the same underlying contract.
- [6] Related lease parties represent current lease co-working interest owners and JIB partners based on Company accounting system records.
- [7] Estimates based on open pre-petition accounts payable balances. Cure estimates were adjusted to zero for completed trade agreements.
- [8] Reference is hereby made to the Debtors' Fourth Amended Joint Chapter 11 Plan of Fieldwood Energy LLC and its Affiliated Debtors [Docket No. 1284] (including any exhibits and schedules thereto and as may be further amended, supplemented, or modified, the "Plan"). Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the Plan. The proposed treatment set forth on this Schedule of Assumed Contracts is for informational purposes only. In the event of any conflict between any of the Credit Bid Purchase Agreement, the Definitive Documents or any other documents relating to any Plan of Merger (collectively, the "Transaction Documents"), on the one hand, and this Schedule of Assumed Contracts, the applicable Transaction Documents shall control.

Schedule of Assumed Contracts

Notes:
 [1] The inclusion or exclusion by the Debtors of any contract or lease on this schedule shall not constitute an admission by the Debtors that any such contract or lease is or is not an executory contract or unexpired lease or that the Debtors or the Post-Effective Date Debtors or their respective affiliates has any liability thereunder.
 [2] The Debtors reserve the right, in their reasonable discretion, to further amend this schedule to add or remove any executory contract or unexpired lease for any reason, including executory contracts and unexpired leases that are subject to an Assumption Dispute (as defined in the Plan).
 [3] The Debtors will file an amended schedule prior to the confirmation hearing.
 [4] The Debtors continue to review the contracts listed on this schedule to determine the appropriate Debtor entity. To the extent the Debtors are able to identify the proper Debtor entity for the contracts to which no Debtor entity is currently listed, the Debtors will file an amended schedule prior to the confirmation hearing to reflect this information.
 [5] Associated leases represent the oil and gas leases that are associated with or related to the same underlying contract.
 [6] Related lease parties represent current lease co-working interest owners and JIB partners based on Company accounting system records.
 [7] Estimates based on open pre-petition accounts payable balances. Cure estimates were adjusted to zero for completed trade agreements.
 [8] Reference is hereby made to the Debtors' Fourth Amended Joint Chapter 11 Plan of Fieldwood Energy LLC and its Affiliated Debtors [Docket No. 1284] (including any exhibits and schedules thereto and as may be further amended, supplemented, or modified, the "Plan"). Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the Plan. The proposed treatment set forth on this Schedule of Assumed Contracts is for informational purposes only. In the event of any conflict between any of the Credit Bid Purchase Agreement, the Definitive Documents or any other documents relating to any Plan of Merger (collectively, the "Transaction Documents"), on the one hand, and this Schedule of Assumed Contracts, the applicable Transaction Documents shall control.

Schedule of Assumed Contracts

Notes:

- [1] The inclusion or exclusion by the Debtors of any contract or lease on this schedule shall not constitute an admission by the Debtors that any such contract or lease is or is not an executory contract or unexpired lease or that the Debtors or the Post-Effective Date Debtors or their respective affiliates has any liability thereunder.

- [3] The term "Contract Counterparties" means the parties to the contract or lease.
- [4] The Debtors continue to review the contracts listed on this schedule to determine the appropriate Debtor entity. To the extent the Debtors are able to identify the proper Debtor entity for the contracts to which no Debtor entity is currently listed, the Debtors will file an amended schedule prior to the confirmation hearing to reflect this information.
- [5] Associated leases represent the oil and gas leases that are associated with or related to the same underlying contract.
- [6] Related lease parties represent current lease co-working interest owners and JIB partners based on Company accounting system records.
- [7] Estimates based on open pre-petition accounts payable balances. Cure estimates were adjusted to zero for completed trade agreements.

Schedule of Assumed Contracts

Notes:
 [1] The inclusion or exclusion by the Debtors of any contract or lease on this schedule shall not constitute an admission by the Debtors that any such contract or lease is or is not an executory contract or unexpired lease or that the Debtors or the Post-Effective Date Debtors or their respective affiliates has any liability thereunder.
 [2] The Debtors reserve the right, in their reasonable discretion, to further amend this schedule to add or remove any executory contract or unexpired lease for any reason, including executory contracts and unexpired leases that are subject to an Assumption Dispute (as defined in the Plan).
 [3] The term "Contract Counterparty" means the party to whom the contract or lease is or was made.
 [4] The Debtors continue to review the contracts listed on this schedule to determine the appropriate Debtor entity. To the extent the Debtors are able to identify the proper Debtor entity for the contracts to which no Debtor entity is currently listed, the Debtors will file an amended schedule prior to the confirmation hearing to reflect this information.
 [5] Associated leases represent the oil and gas leases that are associated with or related to the same underlying contract.
 [6] Related lease parties represent current lease co-working interest owners and JIB partners based on Company accounting system records.
 [7] Estimates based on open pre-petition accounts payable balances. Cure estimates were adjusted to zero for completed trade agreements.
 [8] Reference is hereby made to the Debtors' Fourth Amended Joint Chapter 11 Plan of Fieldwood Energy LLC and its Affiliated Debtors [Docket No. 1284] (including any exhibits and schedules thereto and as may be further amended, supplemented, or modified, the "Plan"). Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the Plan. The proposed treatment set forth on this Schedule of Assumed Contracts is for informational purposes only. In the event of any conflict between any of the Credit Bid Purchase Agreement, the Definitive Documents or any other documents relating to any Plan of Merger (collectively, the "Transaction Documents"), on the one hand, and this Schedule of Assumed Contracts, the applicable Transaction Documents shall control.

Schedule of Assumed Contracts

Notes:

- [1] The inclusion or exclusion by the Debtors of any contract or lease on this schedule shall not constitute an admission by the Debtors that any such contract or lease is or is not an executory contract or unexpired lease or that the Debtors or the Post-Effective Date Debtors or their respective affiliates has any liability thereunder.
- [2] The Debtors reserve the right, in their reasonable discretion, to further amend this schedule to add or remove any executory contract or unexpired lease for any reason, including executory contracts and unexpired leases that are subject to an Assumption Dispute (as defined in the Plan).
- [3] [4] The Debtors continue to review the contracts listed on this schedule to determine the appropriate Debtor entity. To the extent the Debtors are able to identify the proper Debtor entity for the contracts to which no Debtor entity is currently listed, the Debtors will file an amended schedule prior to the confirmation hearing to reflect this information.
- [5] Associated leases represent the oil and gas leases that are associated with or related to the underlying contract.
- [6] Related lease parties represent current lease co-working interest owners and JIB partners based on Company accounting system records.
- [7] Estimates based on open pre-petition accounts payable balances. Cure estimates were adjusted to zero for completed trade agreements.
- [8] Reference is hereby made to the Debtors' Fourth Amended Joint Chapter 11 Plan of Fieldwood Energy LLC and its Affiliated Debtors [Docket No. 1284] (including any exhibits and schedules thereto and as may be further amended, supplemented, or modified, the "Plan"). Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the Plan. The proposed treatment set forth on this Schedule of Assumed Contracts is for informational purposes only. In the event of any conflict between any of the Credit Bid Purchase Agreement, the Definitive Documents or any other documents relating to any Plan of Merger (collectively, the "Transaction Documents"), on the one hand, and this Schedule of Assumed Contracts, the applicable Transaction Documents shall control.

Schedule of Assumed Contracts

Notes:

- [1] The inclusion or exclusion by the Debtors of any contract or lease on this schedule shall not constitute an admission by the Debtors that any such contract or lease is or is not an executory contract or unexpired lease or that the Debtors or the Post-Effective Date Debtors or their respective affiliates has any liability thereunder.
- [2] The Debtors reserve the right, in their reasonable discretion, to further amend this schedule to add or remove any executory contract or unexpired lease for any reason, including executory contracts and unexpired leases that are subject to an Assumption Dispute (as defined in the Plan).
- [3] The Debtor entity that is party to the contract.
- [4] The Debtors continue to review the contracts listed on this schedule to determine the appropriate Debtor entity. To the extent the Debtors are able to identify the proper Debtor entity for the contracts to which no Debtor entity is currently listed, the Debtors will file an amended schedule prior to the confirmation hearing to reflect this information.
- [5] Associated leases represent the oil and gas leases that are associated with or related to the same underlying contract.
- [6] Related lease parties represent current lease co-working interest owners and JIB partners based on Company accounting system records.
- [7] Estimates based on open pre-petition accounts payable balances. Cure estimates were adjusted to zero for completed trade agreements.
- [8] Reference is hereby made to the Debtors' Fourth Amended Joint Chapter 11 Plan of Fieldwood Energy LLC and its Affiliated Debtors [Docket No. 1284] (including any exhibits and schedules thereto and as may be further amended, supplemented, or modified, the "Plan"). Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the Plan. The proposed treatment set forth on this Schedule of Assumed Contracts is for informational purposes only. In the event of any conflict between any of the Credit Bid Purchase Agreement, the Definitive Documents or any other documents relating to any Plan of Merger (collectively, the "Transaction Documents"), on the one hand, and this Schedule of Assumed Contracts, the applicable Transaction Documents shall control.

Notes:

- [1] The inclusion or exclusion by the Debtors of any contract or lease on this schedule shall not constitute an admission by the Debtors that any such contract or lease is or is not an executory contract or unexpired lease or that the Debtors or the Post-Effective Date Debtors or their respective affiliates has any liability thereunder.
- [2] The Debtors reserve the right, in their reasonable discretion, to further amend this schedule to add or remove any executory contract or unexpired lease for any reason, including executory contracts and unexpired leases that are subject to an Assumption Dispute (as defined in the Plan).
- [3] The Debtor entity that is party to the contract.
- [4] The Debtors continue to review the contracts listed on this schedule to determine the appropriate Debtor entity. To the extent the Debtors are able to identify the proper Debtor entity for the contracts to which no Debtor entity is currently listed, the Debtors will file an amended schedule prior to the confirmation hearing to reflect this information.
- [5] Associated leases represent the oil and gas leases that are associated with or related to the same underlying contract.
- [6] Related lease parties represent current lease co-working interest owners and JIB partners based on Company accounting system records.
- [7] Estimates based on open pre-petition accounts payable balances. Cure estimates were adjusted to zero for completed trade agreements.
- [8] Reference is hereby made to the Debtors' Fourth Amended Joint Chapter 11 Plan of Fieldwood Energy LLC and Affiliated Debtors [Docket No. 1284] (including any exhibits and schedules thereto and as may be further amended, supplemented, or modified, the "Plan"). Notes:

- [1] The inclusion or exclusion by the Debtors of any contract or lease on this schedule shall not constitute an admission by the Debtors that any such contract or lease is or is not an executory contract or unexpired lease or that the Debtors or the Post-Effective Date Debtors or their respective affiliates has any liability thereunder.
- [2] The Debtors reserve the right, in their reasonable discretion, to further amend this schedule to add or remove any executory contract or unexpired lease for any reason, including executory contracts and unexpired leases that are subject to an Assumption Dispute (as defined in the Plan).

Schedule of Assumed Contracts

Notes:

- [1] The inclusion or exclusion by the Debtors of any contract or lease on this schedule shall not constitute an admission by the Debtors that any such contract or lease is or is not an executory contract or unexpired lease or that the Debtors or the Post-Effective Date Debtors or their respective affiliates has any liability thereunder.
- [2] The Debtors reserve the right, in their reasonable discretion, to further amend this schedule to add or remove any executory contract or unexpired lease for any reason, including executory contracts and unexpired leases that are subject to an Assumption Dispute (as defined in the Plan).
- [3] [4] The Debtors continue to review the contracts listed on this schedule to determine the appropriate Debtor entity. To the extent the Debtors are able to identify the proper Debtor entity for the contracts to which no Debtor entity is currently listed, the Debtors will file an amended schedule prior to the confirmation hearing to reflect this information.
- [5] Associated leases represent the oil and gas leases that are associated with or related to the same underlying contract.
- [6] Related lease parties represent current lease co-working interest owners and JIB partners based on Company accounting system records.
- [7] Estimates based on open pre-petition accounts payable balances. Cure estimates were adjusted to zero for completed trade agreements.
- [8] Reference is hereby made to the Debtors' Fourth Amended Joint Chapter 11 Plan of Fieldwood Energy LLC and Affiliated Debtors [Docket No. 1284] (including any exhibits and schedules thereto and as may be further amended, supplemented, or modified, the "Plan"). Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the Plan. The proposed treatment set forth on this Schedule of Assumed Contracts is for informational purposes only. In the event of any conflict between any of the Credit Bid Purchase Agreement, the Definitive Documents or any other documents relating to any Plan of Merger (collectively, the "Transaction Documents"), on the one hand, and this Schedule of Assumed Contracts, the applicable Transaction Documents shall control.

Schedule of Assumed Contracts

Notes:
[1] The inclusion or exclusion by the Debtors of any contract or lease on this schedule shall not constitute an admission by the Debtors that such contract or lease is or is not an executory contract or unexpired lease or that the Debtors or the Post-Effective Date Debtors or their respective affiliates has any liability thereunder.
[2] The Debtors reserve the right, in their reasonable discretion, to further amend this schedule to add or remove any executory contract or unexpired leases for any reason, including executory contracts and unexpired leases that are identified as an Assumption Dispute (as defined in the Plan).
[3] Known Contract Counterparties represent parties listed in actual agreements and/or verbal names.
[4] Not all contracts listed are necessarily being assumed by the Post-Effective Date Entity.
[5] Assumed leases represent leases for real property and gas leases that are associated with or related to the same underlying contract.
[6] Related leases parties represent current lease co-working interest owners and JBB partners based on Company acquisition system records.
[7] Estimates based on open-to-public financials payable balances. Current estimates were adjusted to reflect completed system payments.
[8] The Post-Effective Date Entity is to be determined by the Debtor's attorney ("Debtors' Attorney"), Docket No. 12841 (including any exhibits and schedules thereto, and as may be further amended, supplemented, or modified, the "Plan"). Capitalized terms used but not otherwise defined herein shall have the meanings set forth in the Plan.

[8] Reference is hereby made to the Debtor's "Fourth Amended Joint Chapter 11 Plan of Bankruptcy and its Affiliated Debtors" [Docket No. 1284] (including any exhibits and schedules thereto and as may be further amended, supplemented, or modified, the "Plan"). Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the Plan. The proposed treatment set forth on the Schedule of Assumed Contracts is for informational purposes only. In the event of any conflict between any of the Credit Bid Purchase Agreement, the Definitive Documents or any other documents relating to any Plan of Merger (collectively, the "Transaction Documents"), on the one hand, and this Schedule of Assumed Contracts, the applicable Transaction Documents shall control.

Schedule of Assumed Contracts

Notes:

- [1] The inclusion or exclusion by the Debtors of any contract or lease on this schedule shall not constitute an admission by the Debtors that any such contract or lease is or is not an executory contract or unexpired lease or that the Debtors or the Post-Effective Date Debtors or their respective affiliates has any liability thereunder.
- [2] The Debtors reserve the right, in their reasonable discretion, to further amend this schedule to add or remove any executory contract or unexpired lease for any reason, including executory contracts and unexpired leases that are subject to an Assumption Dispute (as defined in the Plan).
- [3] The Debtors reserve the right to amend this schedule to reflect changes in the names of the parties thereto.
- [4] The Debtors continue to review the contracts listed on this schedule to determine the appropriate Debtor entity. To the extent the Debtors are able to identify the proper Debtor entity for the contracts to which no Debtor entity is currently listed, the Debtors will file an amended schedule prior to the confirmation hearing to reflect this information.
- [5] Associated leases represent the oil and gas leases that are associated with or related to the same underlying contract.
- [6] Related lease parties represent current lease co-working interest owners and JIB partners based on Company accounting system records.
- [7] Estimates based on open pre-petition accounts payable balances. Cure estimates were adjusted to zero for completed trade agreements.
- [8] Reference is hereby made to the Debtors' Fourth Amended Joint Chapter 11 Plan of Fieldwood Energy LLC and Affiliated Debtors [Docket No. 1284] (including any exhibits and schedules thereto and as may be further amended, supplemented, or modified, the "Plan"). Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the Plan. The proposed treatment set forth on this Schedule of Assumed Contracts is for informational purposes only. In the event of any conflict between any of the Credit Bid Purchase Agreement, the Definitive Documents or any other documents relating to any Plan of Merger (collectively, the "Transaction Documents"), on the one hand, and this Schedule of Assumed Contracts, the applicable Transaction Documents shall control.

Schedule of Assumed Contracts

Notes:
 [1] The inclusion or exclusion by the Debtors of any contract or lease on this schedule shall not constitute an admission by the Debtors that any such contract or lease is or is not an executory contract or unexpired lease or that the Debtors or the Post-Effective Date Debtors or their respective affiliates has any liability thereunder.
 [2] The Debtors reserve the right, in their reasonable discretion, to further amend this schedule to add or remove any executory contract or unexpired lease for any reason, including executory contracts and unexpired leases that are subject to an Assumption Dispute (as defined in the Plan).
 [3] The Debtors will file an amended schedule prior to the confirmation hearing.
 [4] The Debtors continue to review the contracts listed on this schedule to determine the appropriate Debtor entity. To the extent the Debtors are able to identify the proper Debtor entity for the contracts to which no Debtor entity is currently listed, the Debtors will file an amended schedule prior to the confirmation hearing to reflect this information.
 [5] Associated lessees represent the oil and gas leases that are associated with or related to the same underlying contract.
 [6] Related lease parties represent current lease co-working interest owners and JIB partners based on Company accounting system records.
 [7] Estimates based on open pre-petition accounts payable balances. Cure estimates were adjusted to zero for completed trade agreements.
 [8] Reference is hereby made to the Debtors' Fourth Amended Joint Chapter 11 Plan of Fieldwood Energy LLC and Affiliated Debtors [Docket No. 1284] (including any exhibits and schedules thereto and as may be further amended, supplemented, or modified, the "Plan"). Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the Plan. The proposed treatment set forth on this Schedule of Assumed Contracts is for informational purposes only. In the event of any conflict between any of the Credit Bid Purchase Agreement, the Definitive Documents or any other documents relating to any Plan of Merger (collectively, the "Transaction Documents"), on the one hand, and this Schedule of Assumed Contracts, the applicable Transaction Documents shall control.

Schedule of Assumed Contracts

Notes:

- [1] The inclusion or exclusion by the Debtors of any contract or lease on this schedule shall not constitute an admission by the Debtors that any such contract or lease is or is not an executory contract or unexpired lease or that the Debtors or the Post-Effective Date Debtors or their respective affiliates has any liability thereunder.
- [2] The Debtors reserve the right, in their reasonable discretion, to further amend this schedule to add or remove any executory contract or unexpired lease for any reason, including executory contracts and unexpired leases that are subject to an Assumption Dispute (as defined in the Plan).
- [3] The term "Contract Counterparty" means the party to whom the contract or lease is or was made.
- [4] The Debtors continue to review the contracts listed on this schedule to determine the appropriate Debtor entity. To the extent the Debtors are able to identify the proper Debtor entity for the contracts to which no Debtor entity is currently listed, the Debtors will file an amended schedule prior to the confirmation hearing to reflect this information.
- [5] Associated leases represent the oil and gas leases that are associated with or related to the same underlying contract.
- [6] Related lease parties represent current lease co-working interest owners and JIB partners based on Company accounting system records.
- [7] Estimates based on open pre-petition accounts payable balances. Cure estimates were adjusted to zero for completed trade agreements.
- [8] Reference is hereby made to the Debtors' Fourth Amended Joint Chapter 11 Plan of Fieldwood Energy LLC and Affiliated Debtors [Docket No. 1284] (including any exhibits and schedules thereto and as may be further amended, supplemented, or modified, the "Plan"). Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the Plan. The proposed treatment set forth on this Schedule of Assumed Contracts is for informational purposes only. In the event of any conflict between any of the Credit Bid Purchase Agreement, the Definitive Documents or any other documents relating to any Plan of Merger (collectively, the "Transaction Documents"), on the one hand, and this Schedule of Assumed Contracts, the applicable Transaction Documents shall control.

Schedule of Assumed Contracts

Notes:
 [1] The inclusion or exclusion by the Debtors of any contract or lease on this schedule shall not constitute an admission by the Debtors that any such contract or lease is or is not an executory contract or unexpired lease or that the Debtors or the Post-Effective Date Debtors or their respective affiliates has any liability thereunder.
 [2] The Debtors reserve the right, in their reasonable discretion, to further amend this schedule to add or remove any executory contract or unexpired lease for any reason, including executory contracts and unexpired leases that are subject to an Assumption Dispute (as defined in the Plan).
 [3] The Debtors will file an amended schedule prior to the confirmation hearing.
 [4] The Debtors continue to review the contracts listed on this schedule to determine the appropriate Debtor entity. To the extent the Debtors are able to identify the proper Debtor entity for the contracts to which no Debtor entity is currently listed, the Debtors will file an amended schedule prior to the confirmation hearing to reflect this information.
 [5] Associated leases represent the oil and gas leases that are associated with or related to the same underlying contract.
 [6] Related lease parties represent current lease co-working interest owners and JIB partners based on Company accounting system records.
 [7] Estimates based on open pre-petition accounts payable balances. Cure estimates were adjusted to zero for completed trade agreements.
 [8] Reference is hereby made to the Debtors' Fourth Amended Joint Chapter 11 Plan of Fieldwood Energy LLC and its Affiliates [Docket No. 1284] (including any exhibits and schedules thereto and as may be further amended, supplemented, or modified, the "Plan"). Schedule of Assumed Contracts

- Notes:
- [1] The inclusion or exclusion by the Debtors of any contract or lease on this schedule shall not constitute an admission by the Debtors that any such contract or lease is or is not an executory contract or unexpired lease or that the Debtors or the Post-Effective Date Debtors or their respective affiliates has any liability thereunder.
 - [2] The Debtors reserve the right, in their reasonable discretion, to further amend this schedule to add or remove any executory contract or unexpired lease for any reason, including executory contracts and unexpired leases that are subject to an Assumption Dispute (as defined in the Plan).
 - [3] The Debtor entity that is party to the contract.
 - [4] The Debtors continue to review the contracts listed on this schedule to determine the appropriate Debtor entity. To the extent the Debtors are able to identify the proper Debtor entity for the contracts to which no Debtor entity is currently listed, the Debtors will file an amended schedule prior to the confirmation hearing to reflect this information.
 - [5] Associated leases represent the oil and gas leases that are associated with or related to the same underlying contract.
 - [6] Related lease parties represent current lease co-working interest owners and JIB partners based on Company accounting system records.
 - [7] Estimates based on open pre-petition accounts payable balances. Cure estimates were adjusted to zero for completed trade agreements.
 - [8] Reference is hereby made to the Debtors' Fourth Amended Joint Chapter 11 Plan of Fieldwood Energy LLC and Its Affiliated Debtors [Docket No. 1284] (including any exhibits and schedules thereto and as may be further amended, supplemented, or modified, the "Plan"). Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the Plan. The proposed treatment set forth on this Schedule of Assumed Contracts is for informational purposes only. In the event of any conflict between any of the Credit Bid Purchase Agreement, the Definitive Documents or any other documents relating to any Plan of Merger (collectively, the "Transaction Documents"), on the one hand, and this Schedule of Assumed Contracts, the applicable Transaction Documents shall control.
